CIM Seeks Donations for 2012 Auction

CIM is once again seeking donations for our seventh annual auction to be held at the World of Concrete on Wednesday, Jan. 25, 2012 at the Las Vegas Convention Center. The silent auction will be held from 11 a.m. to 1 p.m. and the live auction begins at 1 p.m.

According to Gene Martineau, Executive Director of the CIM National Steering Committee, "The proceeds from the 2012 Auction will benefit the CIM National Steering Committee (NSC) and support the current CIM programs, the new Executive MBA program, as well as help fund future program expansion."

Organizers hope the 2012 Auction is even bigger than the 2011 Auction, which raised over $500,000. The money raised from the CIM Auction will benefit the NSC and support the CIM programs at Middle Tennessee State University, Arizona State University, New Jersey Institute of Technology, Texas State University and the California State University - Chico.

"The NSC of CIM has raised more than $2 million through the previous six CIM Auctions," said Brian Gallagher, CIM Marketing Committee Chairman. "We've been blessed with tremendous support from the concrete industry. The World of Concrete (WOC) Show Management, Hanley Wood Publications, The Concrete Producer magazine, Concrete Construction magazine, McNeilus, Mack Truck and Ritchie Bros. Auctioneers have been great supporters of CIM," he added.

Previous auction items have included concrete mixer trucks, cement, skid steers, concrete saws, drills, mixers, vibrators, scaffolding, safety equipment, screeds, fiber transport systems, dust collectors, NDT equipment, decorative concrete tools, water meters, pumps, generators, training sessions, reference books, advertisements, laptop computers, mobile computers, sports memorabilia, sports travel packages, golf school packages and vacation travel packages.

Those interested in making a donation should contact CIM Executive Director Gene Martineau at eugenemartineau@comcast.net or 904-735-5537.

October 2011 NSC Meeting at Chico State

The next meeting of the CIM NSC Board is scheduled for:

October 5-6, 2011

McNeilus and Mack Provide Generous Donation

We are pleased to announce the signature item for our seventh annual auction is a Mack Truck equipped with a McNeilus concrete mixer generously donated by Mack Trucks, Inc. and McNeilus Co., a Division of Oshkosh Truck.

"To have a signature item such as this truck chassis donated by Mack Truck and a concrete mixer donated by McNeilus Company is the strong foundation needed to help ensure a successful CIM Auction at the 2012 World of Concrete," said Gene Martineau, CIM Executive Director. "The fact that these two industry leading manufacturers have donated the ready mix truck and mixer speaks volumes of their commitment to the concrete industry and the importance they place on the CIM program."

CIM Exhibits at NRMCA's ConcreteWorks

The Concrete Industry Management program recently exhibited at the NRMCA ConcreteWorks and Board of Directors Meeting in San Diego California. During the event, CIM students and faculty participated in sessions, networking events and the exhibits.

Thanks to NRMCA for their generous donation of exhibit space and registrations.
